Sir:

In accordance with 37 C.F.R. 1.56, 1.97 and 1.98, Applicants submit herewith a reference which they believe may be material to the examination of this application and with respect to which there may be a duty to disclose in accordance with 37 C.F.R. 1.56.

In accordance with 37 C.F.R. 1.97, the filing of this Information Disclosure Statement shall not be construed as a representation that a search has been conducted, nor shall it be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. 1.56(b).

The reference is listed in PTO form 1449 which is in accordance with the requirements of M.P.E.P. 609. Applicants believe that their invention as claimed is patentable over the reference. The Examiner is also invited to contact the Undersigned if there are any questions concerning this paper or the attached reference.

Pursuant to 37 C.F.R. §1.97(e)(1), the undersigned hereby states that the reference contained in the Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the Information Disclosure Statement.

Respectfully submitted,
